Skaapveld Shiraz

Vineyards:

Sourced from bush-vine and trellised vineyards in the Agter-Paarl region. Shiraz thrives in the Malmesbury Shale soils typical of our region: the unirrigated vineyards naturally reduce yields and produce smaller bunches to make wines with concentrated flavours and aromas.

Skaapveld: “Sheep Field”

Skaapveld refers to the grazing land for sheep that adjoins many of the Shiraz vineyards in our region. Whether the sheep have any effect on the wine is open to debate, but they add a lively encouragement during harvest time.
