Free-run Steen Chenin Blanc

Vineyards:

We source our Chenin Blanc from selected vineyards in the Agter-Paarl region. The vineyards are all unirrigated and bush-vine (untrellised) that produce concentrated, flavourful grapes. About half the vineyards are older than 25 years old. Our soils are mostly Malmesbury Shale, imparting an elegant minerality and fresh acidity to the wines.

Steen: “South African term for Chenin Blanc”

Chenin Blanc thrives in the Mediterranean climate, deep soils and bush-vine vineyards of our region. We use only the free-run juice (no pressing of the grapes) to preserve its clean and natural character, refreshing acidity and delicious ripe fruit flavours.
