Jan Fiskaal Merlot

Vineyards:

Selected vineyards in Agter-Paarl and one smaller vineyard in Stellenbosch. Mostly unirrigated vineyards producing naturally low-yields with small berries.

Jan Fiskaal: “Fiscal Shrike”

The Jan Fiskaal (fiscal shrike) is a common sight in our vineyards. A small bird with a fierce reputation for driving out pests, its characteristic “chee-chee-chee” cry and black-and-white colouring make it easily recognisable.
