Cabernet Sauvignon 2009: “hard to find better cabernet for the money”

“Here’s the deal: Three friends — all men — got together, a light bulb went off and they embarked on the path of making good, inexpensive wine. They were perhaps not the first to have this brilliant idea but they have executed their vision very well.

The wine is medium-bodied with jolly blackberry, black cherry fruit, red licorice and a little vanilla; you would be hard-pressed to find a better cabernet for the money.”

- San Francisco Examiner, USA, Aug 2011

“Fresh, with good cut to the melon and green apple fruit flavors, which linger gently on the finish.”
- Wine Spectator, USA, Sep 30, 2011

Chenin Blanc 2010: “86 points: BEST BUY”

“Kiwi and clementine fruit flavours make for a fleshiness you can practically chew on while the flinty minerality perks up as the wine rolls over the palate. A simple wine that’s balanced and succulent. For crab cakes.”

“24 Value Whites from South Africa: Chardonnay 2010”

“South Africa continues to quietly pump out an increasingly diverse and delicious range of value. Just in time for summer, here are two dozen of the country’s whites priced at \$25 or under. There are blue-chip Chardonnay and Sauvignon Blanc bottlings aplenty, along with tasty Chenin Blanc (the country’s best white varietal), an interesting mix of Viognier and more.

- James Molesworth, Wine Spectator, USA, June 24, 2011

Pinotage 2009: “86 points: BEST BUY”

“Ripe cherries are at the core of this wine. Oak stands in its way at points, but it also serves to open up the tannins, making them firm and chewy. The earthy minerality would do well by blood sausage.”

- Wine & Spirits Magazine, USA, February 2011

Pinotage 2010: “first rate”

“Screaming Values: South African Syrahs bargains by any name: MAN Shiraz 2009: “Quintessential Shiraz”

“In my extensive tastings of South African wines this past winter, I was impressed by the Cape region’s high-end syrah bottlings, but I also found some stunning syrah/shiraz **bargains that can’t be matched anywhere else in the world.**

The **MAN Vintners 2009 Shiraz** is quintessential shiraz, beginning with its liqueur-like blueberry and exotic spice aromas. It’s fat, sweet and lush, but with harmonious acidity giving shape to its cassis, blueberry and mocha flavors. This distinctly creamy shiraz offers immediate appeal.”

- Stephen Tanzer, Winophilia.com, USA, 28 April 2011

Cabernet Sauvignon 2009: “86 points: BEST BUY”

- Wine Enthusiast Magazine, USA, March 2011

Shiraz 2009: “86 points: BEST BUY”

“MAN consistently produces well-made, value-orientated wines and this one’s no exception. Dark berries, purple florals and mocha notes all abound in the bouquet. The mouthfeel is full but not fat, with medium acidity that keeps the fruit core center stage.”

- Wine Enthusiast Magazine, USA, August 2011

Pinotage 2009: “86 points: BEST BUY”

“Dark fruit drives this wine, as aromas and flavours of rich black berry, plum and cherry laced with licorice root flood the senses. Round and full in the mouth but balanced with medium acidity that leads through the clean, lively finish.”

- Wine Enthusiast Magazine, USA, June 2011

Shiraz 2009: “88 points: immediate appeal”

- Stephen Tanzer, International Wine Cellar, USA, March 2011

MAN  **VINTNERS**

- Stephen Tanzer, International Wine Cellar, USA, March 2011

Chardonnay 10: “88 points: lovely Chardonnay”

- Stephen Tanzer, International Wine Cellar, USA, March 2011

Sauvignon Blanc 10: “88 points: juicy and intense”

“A light, friendly style, offering green melon and white peach flavors, with a fresh, floral finish.”

- Michael Apstein, www.winereviewonline.com, USA, Feb 22, 2011

Shiraz 09: “Quality Price Ratio wines”

“Clean dark color, with just a bit of charred oak on the nose that carries over onto the palate, where a solid core of dark plum and berry takes over, underscored with some subtle earth. The full-bodied fruit is neither over- nor under-ripe, shows very good intensity, and while it’s structured for a few years in the cellar, this is already drinking quite well. Food-friendly (went well with burgers and fried cauliflower) and a Shiraz that I can really enjoy at this price.” - www.gangofpour.com, USA 16 November 2010

Cabernet Sauvignon 09: “Quality Price Ratio wines”

“Clean, dark color, with black currant and a hint of tobacco on the nose; bright, ripe, yet earthy blackberry flavors with creamy overtones. Medium-full-to-full-bodied, with moderate structure to hold for a few years, but this is an easygoing quaffer for current consumption, and it performs well in that regard.”

- www.gangofpour.com, USA 16 November 2010

Pinotage 09: “Quality Price Ratio wines”

“Deep, dark color, with earthy black plum flavors and aromas shaded with a little tar in the background. Smoothly textured, full-bodied and structured for a few years in the cellar.”

- www.gangofpour.com, USA 16 November 2010

Chenin Blanc 10: “Today’s Recommended Wine”

“Exciting bright aromas, dry flavours and a resounding finish. MAN’s Chenin has white floral, melon, pineapple and nectarine aromas. Unoaked, the flavours are dry and framed by a crisp acidity and minerality. It’s a \$10 wonder! These guys know what they are doing.”

- Sandra Silfven, [Detroit News \(detnews.com\)](http://detnews.com), USA 2 December 2010

Shiraz 2008: “TOP 100 BEST BUY 2010: 89 points: #30”

“Smoke and rooibos tea dominate the bouquet, with accents of raspberry and cocoa. The mouth is more of the same with notes of black plum guts and berry preserves fleshing it out. The texture is like crushed velvet with assertive tannins and structured acidity. Drinkable now, though could age for another year or two.”

- Wine Enthusiast Magazine, USA October 2010

Cabernet Sauvignon 2008: “BEST BUY: 89 points”

“Soft aromas of spice, plum, vanilla and tobacco start this appealing Cabernet from MAN. On the palate, integrated, elegant flavors of cedar, plum and warming spice are backed by a balanced acidity. The finish is fruity with a touch of cinnamon. Pair with beef, cheese.”

- Wine Enthusiast Magazine, USA March 2010

Chardonnay 2009: “BEST BUY: 87 points”

“This pretty white starts with aromas of fragrant flowers, spice and vanilla, leading into creamy layers of citrus and fruit. A richer style of Chardonnay, but balanced with acidity and minerals. Pair with steak, lamb, richer seafood dishes.”

- Wine Enthusiast Magazine, USA March, 2010

Cabernet Sauvignon 2008: “88 points”

“All of the current releases from MAN Vintners are quite solid, but the Cabernet is the class of the lineup, with medium-bodied fruit recalling blackberries and black cherries and a few nice nuances around the edges. Soft enough to sip on its own but sufficiently substantial for pairing with moderately robust meat dishes, this is a very strong value for the money.”

- Wine Review Online, Michael Franz, USA, 4 May 2010

MAN  **VINTNERS**

Pinotage 2007: “BEST BUY: 88 points”

“Red berry, tobacco and sweet oak lead on this exemplary Pinotage, whose mocha, red fruit and smoke flavours offer South African character with an elegant edge. It's balanced and smooth but still hearty enough to stand up to dishes like grilled, sliced meat and stew.”

- Wine Enthusiast Magazine, USA March, 2009

Chenin Blanc: “Budget Wine of the Week”

“It's extremely crisp, and very refreshing on a hot day. I drank it chilled, and really loved the flavours. It's not too sweet, and has just the right bite to it. It was also still very good the next day, which as we all know is a big plus with me! This is a great white wine that will please even a dry red wine drinker, so it will work well for all sorts of occasions. Well worth it. A good, crisp wine for summertime!”
